

RECOGNIZING THE RICHWOODS  
GIRLS BASKETBALL TEAM ON  
WINNING THE ILLINOIS 3A  
STATE TITLE

**HON. DARIN LaHOOD**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 15, 2018*

Mr. LAHOOD. Mr. Speaker, today, I would like to recognize Peoria, Illinois' Richwoods High School girls basketball team on winning the 2018 Class 3A state title.

Returning to the state title game for the second straight year, the Lady Knights capped off the 35–1 season with a 55–46 win over La-Grange Park Nazareth. In a back and forth game, the fourth quarter proved pivotal with Richwoods going on a 17–0 run to start the quarter. Over the course of the game, the Richwoods' Knights had an amazing team effort on both offense and defense, with Senior Kourtney Crane led the Knights with 19 points.

Richwoods' win is the 1,001st in school history and they will add a fourth Class 3A state title to their trophy case, becoming only the third high school in Illinois history to achieve this milestone. Richwoods' continued success on the hardwood is a testament to the leadership of Coach Todd Hursey and the determination of the young women he coaches.

The Richwoods girls basketball team serves as a reminder to the people of our community that when we believe in ourselves and dedicate our time and effort to the goals that we set, we can achieve even the most daring outcomes. These young women exemplify the strong work ethic rooted in Central Illinois and we could not be prouder. Again, congratulations to Coach Todd Hursey and the Richwoods girls basketball team their remarkable state championship win.

IN RECOGNITION OF AMBASSADOR  
FREDERIC C. HOF

**HON. ADAM KINZINGER**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 15, 2018*

Mr. KINZINGER. Mr. Speaker, I rise today to recognize Ambassador Frederic C. Hof on his retirement from the Atlantic Council. Ambassador Hof has had an impressive career as a diplomat at the United States Department of State, a private sector CEO, and an officer of the United States Army. He is a Vietnam veteran and Purple Heart recipient. As a military officer, he served on the commission that investigated the 1983 bombing of the U.S. Marine Corps headquarters at the Beirut International Airport. In 2001, he served as chief of staff on the Sharm al-Sheikh Fact-Finding Commission, headed by former Senate Majority Leader George Mitchell, and was the principal drafter of the Commission's report. During his time at the State Department, Ambassador Hof took the lead in an effort to mediate Syrian-Israeli peace and was given the rank of Ambassador in his capacity as special adviser to the Secretary of State for transition in Syria.

After joining the Atlantic Council, as the leading Syria fellow in the Rafik Hariri Center for the Middle East, Ambassador Hof devoted his time to furthering the Syrian cause through

the protection of civilians. As a prolific writer and leader, Ambassador Hof has hosted Syrian experts, activists, political leaders, and humanitarians in high level discussions pertaining to the U.S.-Syria policy and geopolitical implications of the Syrian conflict. Through his efforts, he has led the discussions on securing a stable and legitimate government in Syria and what role the United States should have. After taking on the role of director at the Rafik Hariri Center for the Middle East, Ambassador Hof continued his efforts to bring attention to the Syrian conflict and its ongoing destabilization to the region at large.

Mr. Speaker, as the seventh anniversary of the Syrian uprising approaches, I ask my colleagues to join me in thanking Ambassador Hof for his tireless efforts to bring attention to the Syrian conflict and its ongoing destabilization to the region at large. His service to this great nation is deeply appreciated and is a testament to the greatness and opportunity that these United States of America holds for freedom-loving people.

RECOGNIZING DOTTIE JOINER IN  
HONOR OF WOMEN'S HISTORY  
MONTH

**HON. MARIO DIAZ-BALART**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 15, 2018*

Mr. DIAZ-BALART. Mr. Speaker, in recognition of Women's History Month, I rise today to honor Dorothy "Dottie" Joiner, the City Clerk for Everglades City.

Ms. Joiner has been serving Everglades City for twenty-three years and has proved to be loyal, passionate, and driven. She began her career as a purchasing agent, then transitioned into a water billing clerk. In 2002 she was promoted to City Clerk. In her capacity as City Clerk, Dottie oversees the official City records, ranging from the financial statements to the meeting minutes. As such, she is known as the go-to person if an issue needs to be resolved.

Dottie has been crucial in supporting the City in times of crisis. She played a key role in 2005 when Hurricane Wilma destroyed City Hall, resulting in the call for the building to be condemned. She worked tirelessly with the City leadership and myself to showcase the importance of saving the historic building; and was a big part of making sure it happened. More recently, in the aftermath of Hurricane Irma, she selflessly looked after the wellbeing of the residents of Everglades City, ensuring that necessary resources were there quickly, despite having lost her own home. Dottie's selflessness during this difficult time and the support she has given our community transcends her official responsibilities.

Her dedication to Everglades City extends beyond her responsibilities as the City Clerk. She also serves on the board of the 4th of July Committee, the Betterment Association of the Everglades Area, as well as the Reach Out and Cops Program. Dottie has always placed her community first, even before herself. We are fortunate to have leaders such as Dottie in Everglades City and Florida's 25th Congressional District, and I and my wife Tia are lucky to be able to call her a friend.

Mr. Speaker, I am honored to know Ms. Joiner and to have the opportunity to acknowl-

edge her remarkable work for Everglades City. I ask my colleagues to join me in recognizing this remarkable individual.

IN MEMORIAM: TEXAS STATE  
SENATOR JACK OGG

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 15, 2018*

Mr. POE of Texas. Mr. Speaker, today we honor the life and memory of longtime Texas lawmaker and my friend, Jack Ogg of Houston, Texas who recently passed away at the age of 84.

Jack Ogg was a political icon who had a 52-year career in Texas politics and law. He represented the Houston area for 16 years, first as a State Representative and then as a State Senator. His love for the State of Texas and the law prompted him to further serve with a run for Texas Attorney General. After an unsuccessful race, Jack returned to his renowned law practice in Houston.

When I was a criminal court judge in Houston, Senator Ogg practiced in my court.

Jack was also the father of Harris County District Attorney Kim Ogg. Kim worked alongside her father at the Ogg Law Firm and remembers her father not only as a great statesman, but a wonderful father who kept his family as his top priority. Kim said her father, "was my closest confidante." Mr. Speaker, when I saw Jack recently at the funeral of our friend, the late Texas Governor Mark White, you could tell he was beaming with pride for Kim and how she was carrying on the Ogg tradition of public service.

Those who served in the legislature alongside Jack said he did what he thought was best for his district and worked inside the rules of the legislature instead of concerning himself with partisan fights. He did what was right and stuck to his principles.

Jack told friends he was proud of authoring the bilingual education act in Texas; the bill to create Metro in Harris County; and a measure re-instating the death penalty in the state. Jack's friend Houston attorney Robert Pelton described Ogg as, "one of the finest human beings I've ever met in my life" who did many good things for the state of Texas.

I admired Jack's adventurous spirit and determination. He suffered from congestive heart failure for many years, but that didn't stop him from being active not only in Houston, but across the globe. Just a few months ago, Mr. Speaker, he took a cruise to Spain and Italy. His family said he was born with an explorer's heart and he traveled to more than 225 countries and islands, and visited all seven continents.

Senator Ogg was born in 1933 during the Depression. His family moved to Houston in the 1950s. He graduated from Robert E. Lee High School in Baytown, Texas then worked his way through the University of Houston, where he was twice elected class president. He went to law school at night at South Texas College of Law and was admitted to the State Bar of Texas in 1962. He lost his beloved wife of more than 50 years, philanthropist Connie Harner Ogg, to cancer in 2010.

Mr. Speaker, those who worked with Jack in the State Legislature and at his law practice
